## Helpful hints for your appointments:

### School-time Appointments

(Note: an average of 4 orthodontic appointments during school hours are needed per year of comprehensive braces.)

- Familiarize yourself with the school schedule in order to maximize the use of the lunch hour, study halls, and school holidays.
- Choose different appointment times to ensure the same class is not missed every time.
- School excuses are given at each appointment and are located on the walkout sheet. Be sure to turn the excuse into the school, so the time missed will be excused.

### Appointment Reminders

Since attending regular appointments is the key to finishing treatment on time, we have five ways to remind you about your upcoming appointments:

- A walkout statement is printed after each office visit with a printed reminder
- If you have registered your email address through T.Link, you will receive an email reminder a few days before each appointment
- One business day before each appointment, you will receive a phone call from our personalized digital voice appointment reminder system, HouseCalls
- You can check appointments, account balances, and even view patient photos online by logging on to your patient or parent account at [www.HulmeOrtho.com](http://www.HulmeOrtho.com).
- Finally, you can sign up for a text message reminder to be sent to your cell phone through your online account. Standard text-messaging rates apply, but there is no charge from our office for this service.

In order for us to do our best job of keeping you informed about your appointments, please be sure to let our staff know if there is ever a change in your email address, phone number, or home address. Also, let us know how these reminder systems are working for you.
