TWO THOUSAND NINE

Appointment Scheduling

Hulme Orthodontics has flexible office hours for your convenience. We are open for patient care as follows:

- Monday 7:30 – 5:00
- Tuesday 7:30 – 5:30 (China Grove)
- Wednesday 7:30 – 6:00
- Thursday 7:00 – 11:30

To assist you in all other matters, we also have office hours on Fridays from 8:00 until 12:00.

1) Patient appointments are scheduled according to each patient's needs. Most patients will be seen every 5 to 6 weeks. If more monitoring is required, we will schedule the appointments accordingly.

2) Although we are unable to schedule all appointments for students before or after school hours, so most appointments are scheduled 5 to 6 weeks apart, most patients will miss minimal class time due to their orthodontic treatment. We will make every effort to meet your scheduling needs. (Note: an average of 4 orthodontic appointments during school hours are needed per year of comprehensive braces.)

3) On some occasions, parents may need to drop a patient off, so we simply ask that parents check in with our Scheduling Coordinator to let her know before leaving their child at our office.

4) Being on time or even a few minutes early always makes you a V.I.P.! We try our hardest to run on time, so patients who keep their scheduled appointments and are not tardy make us really happy!

5) If you must cancel an appointment, please be considerate of your fellow patients and give us at least a day's advance notice. We will be happy to reschedule you for another convenient time.

We appreciate your cooperation in scheduling so that together we can achieve beautiful smiles in the shortest time possible!

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY

November 9th- December 23rd
Decorate an Ornament Contest Ends

Last chance to bring in an ornament that you've decorated to earn extra Orthobucks, having it hang on our tree, and be entered to win a grand prize.

Ask about Next Year's Calendar

We will be handing out 2010 calendars during the last few weeks of December and all through the new year. Make sure you get your own copy to keep up on the latest happenings at Hulme Orthodontics!
